

ARTS UMBRELLA WINE AFFAIRS

Choose your favourite region or come to both!

Sonoma Wine Affair: September 24, 2009
Venue: Fairmont Waterfront Hotel (TBC)

Napa Wine Affair: October 29, 2009
Venue: Fairmont Hotel Vancouver (TBC)

Arts Umbrella is pleased to once again partner with the Wine Institute of California to bring these popular wine tastings Vancouver.

Over the past five years, Arts Umbrella has been the proud host of these events, providing wine-lovers with some of California's most premium pours. NEW this year, we are excited to offer the opportunity to taste unique wines from either the Sonoma or the Napa region, or BOTH if you're a true oenophile! As always, these elegant evenings offer an intimate setting where guests can meet vintners, find their new favourite wine, or bid on rare wine auction packages.

In support of Arts Umbrella

All funds raised from these two events will support Arts Umbrella, a not-for-profit centre for arts education, offering a wide breadth of visual, applied and performing arts programming for young people, ages 2 to 19. While thousands of children participate in its tuition-based programs on Granville Island each year, Arts Umbrella reaches thousands more in their neighbourhoods through free programs, bringing the arts to kids who otherwise would not be able to participate.

Tickets: \$75 each or both for \$95

Tickets on sale in August 2009

Sponsorship Opportunity

The Arts Umbrella Wine Affairs combines 2 events to create an ideal property for a title sponsor to receive maximum exposure through a double header marketing campaign. These events provide a minimum of one unique private client hosting opportunity: a chance for you and your guests to experience a specific winery before the general public. In addition to supporting a popular event, your gift will go a long way to support the kids of Arts Umbrella.

Event Co-Chairs: Richard Deacon and Michella Frosch
