CREATIVITY IS THE KEY TO OUR SUCCESSSES

At Arts Umbrella we believe the arts can change young people's lives for the better. When children connect with the arts, they develop the capacity for personal expression that helps them to find their place in the world.

Self-confidence, independence, teamwork, patience, and giving and receiving feedback are all part of what is learned in an Arts Umbrella class.

Classes inspire students to explore and appreciate the arts not only as creators and performers but also as members of an audience.

Most importantly, Arts Umbrella is about creating a difference: the type of difference that can result when encouragement, support, creativity and fun come together to change a child's life.

CREATIVITY IS THE KEY TO OPENING DOORS ACROSS METRO VANCOUVER

- 1,052 CHILDREN WERE ENROLLED IN TUITION-BASED PROGRAMS IN THE CITY OF SURREY
- 180 CHILDREN AND YOUTH PARTICIPATED IN VISUAL AND THEATRE ARTS OUTREACH CLASSES HELD AT SCHOOLS THROUGHOUT SURREY
- 96 STUDENTS FROM PRIORITY SCHOOLS, AS IDENTIFIED BY THE SURREY SCHOOL DISTRICT, HAD ACCESS TO VISUAL AND THEATRE ARTS CLASSES AT OUR SURREY CENTRE LOCATION

SUCCESS IN SURREY

In addition to the Arts Umbrella South Surrey location at The Shops at Morgan Crossing, in September 2012, Arts Umbrella expanded again with a location in Surrey Centre.

Arts Umbrella Surrey Centre offers free outreach programs, delivering the benefit of arts education where it is needed most.

CONNECTING WITH A NEIGHBOURHOOD NEAR YOU

Offsite Tuition Programs

Arts Umbrella is growing the number of classes offered in locations outside our own studios, connecting with students in their own back yards. Last year we successfully initiated offsite programs at Queen Elizabeth Annex, Queen Mary Elementary and Crofton House School. We also formed partnerships in Vancouver's River District and on the North Shore, offering Arts Umbrella programming through local community centres.

Community Events

Arts Umbrella made new friends at community events across Metro Vancouver. We engaged with thousands of families while supporting the local arts scene at events such as Maker Faire, Surrey and Vancouver Children's Festivals, Vancouver Folk Music Festival, Culture Days and more.

Online

On the digital front, we have connected with online arts and parent communities; building partnerships and expanding the Arts Umbrella family through social media, bloggers, and online events and listings.

OUR MESSAGE

MESSAGE FROM LUCILLE PACEY, PRESIDENT AND CEO

Every year I look back with pride at the achievements of the children and youth who work so hard, who are willing to try new things, who share experiences with their peers and who help us make Arts Umbrella a vibrant and exciting place to be. How wonderful to be part of an organization that prepares children to follow their passion in the arts and to be creative – as a dancer, a visual artist, an architect, an actor or an avid audience member and appreciator of the arts.

I often quote figures that underscore the benefits of quality arts education: the development of the whole child, and the improvement in their academic studies, their self-confidence and their trust in their abilities. I recently happened upon an OECD publication that spoke directly to the demonstrated benefits of arts education. What struck me most was the conclusion in the text that reminded me of the importance of 'Art for Art's Sake'. I quote — "for all children; the arts allow a different way of understanding ... Because they are an arena without right and wrong answers, they free students to explore and experiment. They are

also a place to introspect and find personal meaning."

This statement has inspired me to speak openly about the importance of the arts to our well-being, to the health of our young people and to the health of our communities. So many of the young people who come to Arts Umbrella are here because they have a safe place to be creative and express themselves. They don't have to worry about being bullied or laughed at, they know that we respect them and encourage them to be the best they can. We can embrace the arts by supporting young people to participate in the arts.

I would be remiss if I did not acknowledge the Arts Umbrella family, starting with the children we serve, the incredible creative instructional staff, the dedicated administrative staff, the trusting board of directors and the generous members and donors. Thank you for all you do to make this organization strong and relevant to our communities.

Sincerely,

Lucille Pacey

**MESSAGE FROM
JAMIE PITBLADO, CHAIR OF
THE BOARD OF DIRECTORS**

As I look back on this busy year I am reminded that Arts Umbrella was established to fulfill a need in the community — a gap in quality arts training for young people; not play, not caregiving but exciting and engaging arts education that could take a child into another world of creativity and imagination. This would be a safe world, where they could find their voice and experiment with ideas and thoughts, and build life skills that they would carry with them throughout their adult lives.

I am pleased to say that this dream has flourished and is constantly being renewed and adjusted just as the communities that we live and work in evolve and change. Our completed expansion into Surrey this year has proven to be an interesting learning experience; the challenge of taking a quality arts program into a new environment will make Arts Umbrella a stronger organization and a major contributor to healthy communities.

The leadership of the board is directed to ensuring a healthy and safe experience for the children we serve, and we do that through the

oversight of the work of the management team at Arts Umbrella but more importantly we do that by attending the student performances and appreciating the work of the children. Their creativity and drive is inspiring and I am delighted to be part of the Arts Umbrella family.

On behalf of my fellow Board of Directors, I am pleased to present this annual report to all of our members, stakeholders and staff; those without whom we could not deliver the quality range of programs to as diverse a young population that we presently do. Thank you to everyone.

Sincerely,

Jamie Pitblado

CREATIVITY IS THE KEY TO INNOVATIVE FUNDRAISING

Fundraising is integral to Arts Umbrella's success. We work diligently to connect with supporters in a way that is mutually beneficial and that provides a tangible connection to the impact they are making on kids, the arts and their local community.

FUNDRAISING EVENTS

Our creatively inspired fundraising events support the ongoing stability of annual programming. This year, Arts Umbrella staff, volunteers, donors and partners came together to engage the community in raising 13% of the annual revenues that help to bring the Arts Umbrella magic to children across Metro Vancouver.

Splash 2012: Defining Silence

OCTOBER 13, 2012

Five hundred guests came together at CBC Vancouver for the 30th anniversary of Splash, Arts Umbrella's annual art auction and gala. Inspired by the glamour of the silent film era, it was a magical night dedicated to celebrating the past, present and future of Arts Umbrella. Funds were raised by auctioning 100 pieces of original artwork.

Wine Arts 2012: A Taste of Sonoma

NOVEMBER 13 & 14, 2012

In partnership with the Sonoma County Vintners, Arts Umbrella proudly hosted 400 guests over two days of wine pairing and tasting festivities at Brix Restaurant and Wine Bar and the Sutton Place hotel to raise awareness and proceeds for Arts Umbrella students.

Indulge: The Art of Beauty

JUNE 4, 2013

Arts Umbrella hosted an indulgent and inspiring evening, where 200 guests were pampered and spoiled by the Holt Renfrew team at an in-store private party. Spa services, fashion trends, and tips on holistic living made for a lavish night out in support of Arts Umbrella's Outreach and Bursary programs.

Globe & Mail Invitational

JULY 15, 2013

More than 140 of Vancouver's corporate leaders and golf enthusiasts enjoyed the gorgeous weather at Quilchena Golf and Country Club for a day of golf, contests, refreshments and an amazing silent auction. The event raised funds for the Children's Arts Umbrella Foundation benefitting the kids of Arts Umbrella.

CREATIVITY IS THE KEY TO ENGAGING THE PERFECT PARTNERS

We can't say enough about the commitment of our donors and sponsors. Our loyal supporters provide children with artistic opportunities that build their confidence, encourage self-expression and push them to explore their creative potential. Many thanks to our new and long-term donors who have helped the organization grow and fulfill its mission of inspiring kids for life through the arts. **Your trust in our work with the children reaffirms the importance of supporting the children who attend our programs and classes.**
