

## **Architecture Scholarship Intensive**

**Aug 13<sup>th</sup> – Aug 17<sup>th</sup> 2018**  
**10am to 5pm**

Architecture Scholarship Intensive is a one-week enriched program that is for teens ages 13 - 19 interested in having the unique opportunity to work with leading Vancouver architects while developing their portfolio and applied art practice.

The Intensive is a stimulating and challenging experience for young artists committed to working both independently and collectively. Participants will have the opportunity to work with leading architects and educators in Vancouver.

The program will introduce participants to creative new approaches to responding to public spaces and ways of seeing the built environment. Participants will be in a studio environment, engage in research, discussion about developing ideas and engage in critiques. Throughout the program, participants will also do drawing and model making in response to their research and collaboration that will culminate in an exhibition celebration as part of BTY Groups 40<sup>th</sup> anniversary.

**Scholarship Program: Generously Provided by BTY Group**
