## 2021/22 COMMITMENT FORM | Arts Umbrella Copy

### Parent Statement:

As a parent/guardian of a student selected to participate in the Arts Umbrella Year-Long Pre-Professional Theatre Program, I have read and understood the information regarding the program and want my child to be involved in this opportunity.

I understand that my child must attend all scheduled classes, rehearsals and performances. My child and I will make this commitment a priority.

I understand that student absences are difficult for the class, and the instructor, so I will give my child's instructor as much advanced notice as possible when my child will be absent from class.

I understand that if my child is ill, they will not attend class for the safety of the other students and instructors and that I will email [theatre@artsumbrella.com](mailto:theatre@artsumbrella.com) as soon as I can so the instructor can adapt the rehearsal plan.

I understand that many variables this year make it hard to know what a final presentation will look like. Whether it is a live or filmed performance, I understand that my child's presence in class as well as rehearsal time at home should be a priority this year.

I understand that Arts Umbrella reserves the right to film and photograph the classes and use the footage to publicize the program.

### Student's Statement:

I understand that by joining the Arts Umbrella Year-Long Theatre Pre-Professional Theatre Program I am expected to be on time and prepared for all classes, rehearsals, and performances.

I promise to be committed not only to the class but to the work.

I understand that if I am ill, I will not attend class for the safety of the other students and instructors. I also understand that student absences are difficult for the class, and the instructor, so I will give my instructor as much advanced notice as possible when I will be absent from class and will connect with classmates and instructors to catch up quickly.

I understand the importance of being a positive and contributing member of the ensemble. I understand that many variables this year make it hard to know what a final presentation will look like. Whether it is a live or filmed performance, I understand that my presence in class as well, as rehearsal time at home, should be a priority this year.
