About Arts Umbrella

Arts Umbrella is where young artists ages 2–22 cultivate their creativity in Dance, Theatre, and Visual Arts. As a non-profit organization for arts education, we believe that art is powerful. Powerful enough to change kids' lives in incredible ways. When young people connect with the arts, they gain self-confidence, develop self-discipline, and discover creative expression—things they carry with them for life. Arts Umbrella has four locations in Vancouver and Surrey, as well as donor-funded programs at schools, community centers, neighborhood houses, and healthcare facilities across Metro Vancouver. We reach close to 21,000 students every year, with nearly 80% participating at little to no cost.

Arts Umbrella has made the exciting move into the South Building of the former Emily Carr University of Art + Design on Granville Island in April 2021. This exceptional opportunity will allow Arts Umbrella to further our vision for a better world where all young lives are inspired to pursue a lifelong journey towards self-expression, compassion, and humanity. It is our mission to be Canada's leader in arts education for young people; to build community and deliver profound life experiences through our commitment to innovation, excellence, and inclusivity. Arts Umbrella is an organization full of heart, where self-expression and creativity are valued and nurtured.
